Communication

Mail Stop Appeal Brief - Patents  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In reply to a communication from Examiner Russel Travers with regard to this case, please consider the following remarks. Applicant also submits herewith three (3) copies of the appeal brief mailed on October 21, 2003, and the stamped postcard from the USPTO indicating that the brief was received.

The communication from the Examiner indicated that two non-identical sets of claims were presented. Applicant respectfully submits that the claims that accompanied the Appeal brief were the claims as finally amended. The amendment under 37 CFR § 1.116 that was sent on August 26, 2003, was not entered, and therefore, the amendments made therein were not included in the claims on appeal. Therefore, Applicant asserts that the claims that were presented in the Appeal brief were identical. Therefore, Applicant includes herewith three copies of the appeal brief as mailed on October 21, 2003.

If there are any questions with regard to the above referenced application, or this communication, please feel free to contact the Applicant's Representative at the telephone number provided below.

Respectfully submitted,
